C4C REPORT CARD - OUR MONTHLY NEWSLETTER

The C4C Report Card is intended to keep our growing community of supporters informed about fundraising status, school construction progress and various fundraising programs you may want to consider supporting or running yourself.

You can expect to hear from us more or less on a monthly basis. We would likewise be happy to hear from you, so feel free to let us know what you think about our newsletter, the project, etc...

FUNDS RAISED THROUGH MAY 2009

We are happy to announce that through May 31st we have raised 86% of our \$19,000 goal. We are extremely grateful to the more than 120 individual donors that have allowed us to raise more than \$16,250 of funds. We are also pleased to report that following our first donation from the Netherlands this month, our donor community now spans seven countries (USA, England, Scotland, Italy, Netherlands, France and Switzerland).

For those of you who have already donated - a most sincere thank you. For those of you contemplating making a donation, please know that any amount will be greatly appreciated. If you are interested in supporting our project in other ways, there are several fundraising programs you may want to consider running yourself, as described throughout this newsletter.

RESULTS OF SCHOOL NAME VOTING

NOBLE PATH gets the vote

Thanks to all who submitted a vote for your favorite school name over the past month. NOBLE PATH was the clear winner, and we will be proud to share this name with the students at our school.

This name is meaningful on multiple levels. It is derived from the Noble Eightfold Path of Buddhism, which is practiced by most Cambodians (http://en.wikipedia.org/wiki/Noble_Eightfold_Path). Second, the students attending our school will be the first in their community to embark on the noble path of a secondary education. Third, all of you who have supported this project have travelled with us down a somewhat noble path of improving the lives of a generation of young Cambodians, and we are extremely grateful for that.

C4C COMING TO A FRENCH VILLAGE NEAR YOU

Since moving to Marciac, France in early May (backstory in last month's newsletter), we have been busy promoting the Classrooms for Cambodia project within our new local community.

One of our goals has been to take advantage of the rich tradition of the French market to sell our artisanal Cambodian goods. The first step to achieving this was receiving permission from the mayor to set up a stall at the weekly market in Marciac. This market is held on Wednesdays in the central square of our village and features farm produce, wine, live chickens, tractors and clothing. Our first day on the tout was June 3rd, and we not only managed to sell a few items but also did so in French! And the fee for our stall? 60 cents!

This selling opportunity would not have been possible without the selfless help of our good friend, and Sud Ouest native, **Stephane Rouquette**. Among other things, Stephane toiled on our behalf with French customs to get our delivery cleared properly. Thanks also go to **Camping du Lac** who covered the taxes due upon delivery while we were off tasting wine in Bordeaux! And final thanks to Noëlle's mother, **Mel Bourgault**, & Stephane for French translation services!

FUNDRAISING PROGRAMS UPDATE

Mike's Ride in L'Etape du Tour - 20 July 2009

After months of anticipation, I can say that cycling in France has been nothing short of awesome. I walk out my door, and the rolling hills of Southwest France are there.

The bike has also joined us on our recent road trips, including visits to the Medoc region of Bordeaux and the Pyrenees (160km cycling Col d'Aspin and Col de Peyresourde).

As of June 1st, I have approximately seven weeks until L'Etape. I am looking forward to the big day and will be enjoying the training until then.

Gift eCards

We have raised \$200 to-date by sending eCards for a variety of occasions: Birthdays, New Babies and Mother's Day.

Keep C4C in mind for Father's Day on 21 June 2009.

London-to-Brighton Bike Ride - 21 June 2009

Helen Jones has raised £300 for Classrooms for Cambodia as she prepares for the London-to-Brighton Bike Ride in June. You can sponsor Helen as she tries to achieve her £600 goal at www.justgiving.com/helenjones78.

Rural Crafts Association Fair (Surrey, England) - 3-4 July 2009

Our friend Laura Catley is running a handbag and scarf sale on July 3rd and 4th at the Rural Crafts Association Fair in Guildford High Street, Surrey, England. All proceeds support the activities of two charitable school projects: C4C and "New Horizons", a school in Goa, India whose mission is to provide homeless children an education, healthy meals and life skills. Over 150 different handbags will be on sale - stop by and support two great causes!

Baird London's Dress Down Fridays

As explained in last month's newsletter, Mike's colleagues from Baird London nominated Classrooms for Cambodia as the designated charity for Q2 2009 "Dress Down Friday" collections. As a reciprocal act of "dressing down", Mike has agreed to grow a moustache by the end of June.

You can follow the progress of Mike's moustache through the weekly pictures we post to our Facebook group page at <http://tinyurl.com/ojnu9>. Feel free to join the group while you are there.

LOOKING FOR A WAY TO HELP? THIS MONTH'S FUNDRAISING IDEA

As described in previous newsletters, we continue to encourage you to consider organizing your own fundraising event. Here is this month's idea - men only please!

The "Stache for Cash" Challenge! Stop dreaming and start doing. A good cause like C4C gives you a legitimate excuse. All you need to do is send us an email at info@classroomsforcambodia.com and tell us you are ready for the challenge. We can help you setup your Firstgiving or Justgiving website (super-easy) and you and your facial hair take it from there.

MAILBAG & OTHER C4C COMMUNITY NEWS

School Construction Progress. Construction of The Noble Path School is well underway. According to our local partner charity, American Assistance for Cambodia (AAfC), the school is 72% complete. You can find our school on AAfC's list of schools by visiting <http://tinyurl.com/dljx66>. Noble Path is number 458 on the list.

C4C Slideshow. With the creative help of *Muriel Sibley*, we have created a slideshow describing Classrooms for Cambodia and the economic and educational situation in Cambodia. We prepared this presentation for use by teacher friends of ours who are organizing classroom fundraisers with their students. The slideshow is set up in a template format, so it can be customized very easily for sharing with your organization. If this is of interest, please let us know.

Greetings from Cambodia! Try, the manager of Watthan Artisans, supplier of the Cambodian scarves we are selling, sent some photos recently showing our scarves being made. For more information and photos on Watthan Artisans [click here](#).

ABOUT C4C

Classrooms for Cambodia is a volunteer fundraising project started in February 2009 by Mike and Noelle Magluilo. Our objective is to raise \$19,000 to help build a much-needed school for kids in Cambodia. We are working in partnership with two established charities in Cambodia, American Assistance for Cambodia (a US-registered charity) and HOPE Worldwide (a UK-registered charity).

WE NEED YOUR HELP: either through direct donations; sponsoring or participating in various fundraising projects; organizing your own fundraising event; or simply spreading the word to your family, friends and colleagues.

We are putting our own money into this project and taking nothing out, other than memories, new friendships and the satisfaction of delivering our goal.

Please join us.
